Troup County Conducts Successful Harmony House Fundraiser

Troup County, Ga. February 25, 2019 – Troup County recently conducted a successful Valentine’s Day fundraiser as a part of their United Way Campaign for the Harmony House in LaGrange, a state of Georgia certified emergency shelter that provides refuge to victims of domestic violence.

County Manager Eric Mosley meets with Harmony House Executive Director Michele Bedingfield to deliver donations

The County collected monetary donations from employees who desired to participate in the cause and was successful in raising a considerable donation. County Manager Eric Mosley met with the Executive Director of the Harmony House, Michele Bedingfield, to donate the collected contributions. “I am thankful to have been chosen and appreciate all of the support from the County,” said Bedingfield.

The mission of the Harmony House is to provide emergency shelter and safety, security, crisis intervention, education and advocacy for adults and children who fall victims to domestic violence. The Troup County Board of Commissioners are grateful to all those who participated in the fundraiser and contributed to the success of the Harmony House, a safe space in our community for women and children.
