

## ADDENDA 1

### Troup County Jail Inmate Health Care & Pharmacy Services

- 1. Who is your current provider and please provide a copy of the contract and any amendments or changes to the contract.***

Our current health care provider is WECARE Corrections TLC. All contract documents are included as attachments.

- 2. What is your current Average Daily Population?***

The average daily population is 600 inmates.

- 3. Do you currently use electronic medical records?***

No, we use paper medical records but would like for each proposer to include pricing as an option for us to add if we choose to.

- 4. Mental Health is not included in the request for proposals. Should that be part of the services provided?***

Yes, we do want mental health services provided with the health care for the inmates.
