## **Portions of Hamilton Road to Close During GDOT Bridge Replacement Project**

**Troup County, Ga. January 12, 2023** – Ongoing construction performed by a Georgia Department of Transportation (GDOT) contractor for the replacement of two bridges along Hamilton Road (State Route 1/US27) between LaGrange and Pine Mountain will require partial road closure beginning **Monday, January 23, 2023**.

According to a recent GDOT press release, a road closure will be installed at the work zone located on Hamilton Road over Flat Shoal Creek in order to protect crews and provide space necessary for their equipment. Off-site detour routes in the project's surrounding areas include State Route 18 and Interstate 185. Signage will be posted in advance of the closure, and drivers are encouraged to be cautious and alert while traveling through work zones and any resulting traffic adjustments.

Additionally, replacement of the bridge located on Hamilton Road over Long Cane Creek will include the temporary use of an on-site detour bridge. This will allow traffic lanes to remain open to the public throughout construction as usual.

For more information regarding this project, please see GDOT's original press release here: <https://mailchi.mp/dot/troupcountystate-route-sr-1us-27flatshoalcreekbridgereplacedetour>.
